Scale of 1/2 a Yard or Half a Mile

A MAP of the COAST of
COROMANDEL,
 FROM the
 RIVER GOWERY, to CAPE COMORIN.

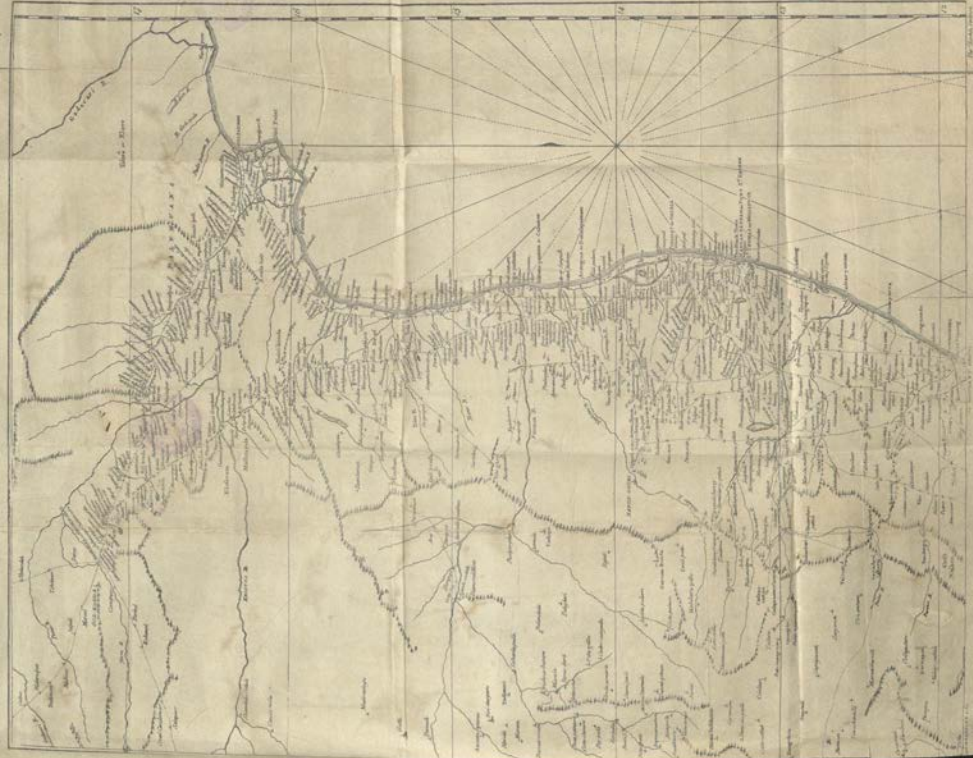

The general extent of this Map is equal to 100 miles. It shows the Bay of Bengal, the Gulf of Mannar, the River Gowery, and the Coast of Coromandel. The map is drawn from the best authorities, and is intended to be a general reference. It is not intended to be a nautical chart, and is not to be used for that purpose. It is intended to be a general reference, and is not to be used for that purpose. It is intended to be a general reference, and is not to be used for that purpose.
